

DAYBOAT HIRE

If you are planning to hire a Dayboat in the near future we need to let you know that there have been a few little changes on our boats.

We normally provide crockery, cutlery, glasses etc. We will now be using disposable versions of these. They will be in sealed bags so you know that they have not been used by anyone else.. Please feel free to use them if you want to. Alternatively you can supply your own picnic sets if you prefer. You are, of course, welcome to bring your own food and drink on board.
