

If you are planning on hiring a day boat from us in the near future we just need to let you know that there have been a few little changes on board our boats.

We normally supply crockery and cutlery, glasses etc. We will now be using disposable versions of these, they will be sealed in bags for you so you know they have not been used by anyone else.

Please feel free to use them if you want, alternatively you are quite welcome to bring your own picnic sets with you if you wish. Also you are of course welcome to bring your own food and drink on board.
